

The Community Service Club is excited to announce two drives that we will be doing this holiday season.

From December 6th to December 11th we will be collecting new, unwrapped toys to support ABCD.

For 50 years ABCD has provided basic services and innovative programs that help empower individuals, families, and communities in Boston to overcome poverty, live with dignity, and achieve their full potential.

What We Do

For 50 years ABCD has provided basic services and innovative programs that help empower individuals, families, and communities in Boston to overcome poverty, live with dignity, and achieve their full potential.

ABCD works to:

- **Strengthen & Educate Families**

A 50-Year Legacy

Holiday Toy Drive

The Gift of Giving

Every year for over 30 years, we've helped make the holidays better for over 6,000 families. Each holiday season, ABCD staff, corporate, and community partners work with the [ABCD Neighborhood Network](#) to collect donations of toys and gift cards that are distributed to low-income families in every Boston neighborhood. Without this annual program, many of Boston's poorest kids would not receive presents, and individual, corporate, and in-kind donations are always needed.

How you can help!

- Donate funds to our [Holiday Toys Fund](#)
