

VOLUNTEERING

Volunteers are an integral part of ACE's success!

Our volunteers range in age from high school students to seniors citizens, and provide a variety of activities at the shelter and ACE sponsored events. Volunteering opportunities and responsibilities include but are not limited to the following:

- Cleaning Kennels
- Animal Socialization & Walking
- Basic Obedience
- Fund-raising / Marketing
- Yard Work / Shelter Maintenance
- Laundry • Donation Pickup
- And much more!

To fill out a Volunteer Application please visit our website (www.ace4animals.org) or find us on FACEBOOK!

We look forward to hearing from you!

ACE

ANIMAL CARE & EDUCATION

**CENTRAL MASSACHUSETTS
ace4animals.org**

ACE Central Massachusetts is a non-profit organization of volunteers dedicated to the care of homeless and abused animals. We are committed to educating the school children and families of Central Massachusetts about pet care responsibility.

ABOUT ACE

We assist rescue groups and shelters in Central Massachusetts with funding and supplies to help ensure local animals find fur-ever homes. We are committed to educating school children and families about pet care responsibility including ways to identify possible animal abuse. Since 2011, we have worked to find fur-ever homes for city shelter dogs. In 2012, we joined the Community Foundation and have 501 (c)3 status. All monetary contributions are tax-deductible.

ADOPTION INFO

ACE works with the Fitchburg Animal Shelter to socialize dogs, leash train and temperament test, so these animals may find fur-ever homes.

HOW WE HELP LOCAL ANIMALS

Thanks to ACE-Fitchburg's continuous fund-raising efforts, along with generous individual benefactors, extremely abused dogs have been able to receive extensive medical care.

ACE held what is believed to be the first Parvo vaccination clinic in the state. This clinic provided low cost vaccinations for 36 local dogs and helped to prevent the spread of this deadly disease.

STUDENT EDUCATION

ACE volunteers with rescued dogs have visited Fitchburg Public Schools. We have also visited the after school program to give children additional time to spend with rescued dogs.

ACE teaches the children about animal neglect and abuse and how to recognize it. We also discuss proper pet care, including vaccinations, vet care, food, and training issues.

CATS

We help cats that are in danger, injured, stray or feral, through rehabilitating feral kittens, vaccinating, and spaying/neutering. We work with other groups to find these animals safe and healthy homes.
