Error Analysis? (Mazzeo 2012)

Directions: Use this sheet to guide you when completing an Error Analysis for any test score below an 80%. You should first try to complete this without assistance; if you do need assistance, your class notes and text should be your first stop. A quality Error Analysis paper can earn you up to half the points missed on your original test back, with a maximum score of 80% possible. All written work must be completed on a separate sheet of paper and stapled to the original test within one week from the time test is handed back. Follow the steps below for any question you did not get full credit for on the test:

- 1.) Write the problem number missed on test
- 2.) Explain what you did wrong in complete sentences
- 3.) Completely redo problem correctly.

DON'T EVER GIVE UP

Don't Quit

When things go wrong, as they sometimes will,
When the road you're trudging seems all uphill,
When the funds are low and the debts are high,
And you want to smile, but you have to sigh,
When care is pressing you down a bit,
Rest, if you must, but don't you quit.

Life is queer with its twists and turns,
As every one of us sometimes learns,
And many a failure turns about,
When he might have won had he stuck it out;
Don't give up though the pace seems slow--
You may succeed with another blow.

Often the goal is nearer than,
It seems to a faint and faltering man,
Often the struggler has given up,
When he might have captured the victor's cup,
And he learned too late when the night slipped down,
How close he was to the golden crown.

Success is failure turned inside out--
The silver tint of the clouds of doubt,
And you never can tell how close you are,
It may be near when it seems so far,
So stick to the fight when you're hardest hit--
It's when things seem worst that you must not quit.
