

First & Last Name: \_\_\_\_\_ Period: \_\_\_\_\_ ID: A

**Directions:** Write in complete sentences for each of the three open response questions. A good rule of thumb to think about for this would be the number of quality sentences for each open response question : 5 = A; 4 = B; 3 = C; 2 = D; 1 = F and use detail to support your main point.

**Student Self Evaluation (Mazzeo 2014) - "Tell the truth - all the time!" -Randy Pausch**

1. Name a new concept you learned this quarter. Give a specific example to support your response *using words, numbers and pictures.*

.

2. What is one thing you did well in math class this quarter.

.

3. What is one thing you could improve on in math class next quarter.

.
